... in this letter No 332/13 dy 11th July/93 the Excise Com submitted a copy of a circular issued to the Dy Comrs of Districts and Copies of offl memos issued on the arrangements referred to above for the purpose of suppressing illicit Distillation in the Distns of Shimoga & Kadur, and for providing the officials

throwon out of Employment
owing to the Reductions in
the Distillery Estt.

3. While the above report vide Pro No 4 dy 14th July 92
was under Consideration (Paper No 2) of Sec I
of Govt, the Excise Comr
requested sanction for
a personal allowance of
Rs 5/- to Mr Costello who
in Consequence of the reductions
effected in the Distillery Estt,
had to be provided with
an appointment on Rs 35/10
which was 5 Rs less than
his former substantive salary.

4. In reply to the two letters vide Proc No 15 dy 03
referred to in paras 1 & 2, 236-92
Govt observed that in 26th July 92 (Paper No 3
the Offg Memo submitted

5. The personal allowance was accordingly —

Sanctioned as a Special Case upto the 31st March 93.

6. Thus it will be seen that with his letter No 332/13 dated 11th July 1892, the Excise Commissioner submitted for the information of the Government a copy of the Circular issued by him to the Dy Commrs of Districts in ~~optn~~ giving effect to the orders of Government for placing the detective Staff under the direct Charge of Mr Mc Donnell Excise Asstt Commissioner to suppress illicit distillation in the Kadur & Shimoga Districts.

The H.C. M. Mangaya Chetty is the old & deserving hand who merits an increase. He has all along & is now doing all the account work in the Office which his long experience peculiarly fits him for. He is a first rate accountant & writes neatly & is the best in the Office hand. He deserves the Rs 10 recommended

Return and Send to the Comptroller for certificate

(4). The required check is thus effected in two Offices in each District and in the Comptroller's Office, which has been specially strengthened therefor. (9) These three Offices are responsible for the accuracy of the cash transactions. The necessity of a 4th Office going over the same ground, as admitted by the Excise Commissioner to be what he needs, is therefore not apparent and is evidently on the face quite unnecessary. The cost would amount to Rs 580 or an increase of Rs 235 as noted in the margin (4)

(5) The Excise Commissioner's Office should cease to receive any returns and communications direct from Amildars or Bonded Depôt Mustaddies or Farm Contractors

This shows want of confidence
in the work performed by the
Deputy Commissioners. It will
be resented as this information
is obtained behind their backs,
from their subordinates. After all
the matter has eventually to go
to the Deputy Commissioner for
explanation or rectification.!
Why then go round about instead
of direct to the head of the
District? The District Office
Excise Establishment should
furnish the required periodical
returns monthly or quarterly
of all liquor and drug trans-
-actions after fully satisfying
itself that the stock issued
from the Distillery, as per
Distillery Account Sent, to the
by the 1st Supt.
Deputy

Deputy Commissioner whether for Spirits or drugs (if the latter is not sent now it should be done), has been duly brought to book, and accounted for at the Depot, Hea and the cash realized for Spirits and Ganja on sales, has been fully credited, and the wastage is within the limits fixed, and duly accounted for. Returns under other items of Excise might also be rendered to the Excise Commissioner for compilation of the Provincial Returns or record in his Office for reference by the Dt Office -

6. The Excise Commissioner should from time to time point

out to the Deputy Commissioners
any large outstandings which
may appear un-realized in
any months or any apparent errors which
might have crept into the accounts,
and when sending up his Demand
Collection and Balance Statement
append a copy of action taken
in this matter with any explanation
furnished by the Deputy Commissioner
on these scores received at the time,
or thereafter, as the case may be. -
7. The Printed Rules should be
modified accordingly. This
should be done at once. -
8. The Excise Commissioner's office
will restrict itself to the above
work of General Supervision and
control and leave Deputy -
Commissioners free to work out

details of the above Scheme under all items of Excise. Questions of a special nature should be fully discussed with the Deputy Commissioners and a Summary of their opinions, with those of the Excise Commissioner, sent up with the file accompanied by a brief rule or rules to give practical effect to the measure involved, for the orders of Government. In a word the Excise Commissioner should do for all excise items what the Dewan's Office does for Revenue and other Heads, and no more.

9. The whole Executive Subordinate staff should be under the direct control and supervision of Deputy Commissioners for the next two or three years and the Excise Commissioner should for the present confirm appointments of above

Rupees 40/, made by such Officers.

10. Under the foregoing circumstances and having regard to the large extent-ment of work, the new scheme carries with it, in the Excise Commissioner's Office, and that such work and responsibility are now actually vested in Deputy Commissioners. There are evidently no bona fide grounds to raise the pay of the Sheristadar and clerks of the Excise Commissioner's Office or to employ additional hands as suggested in the several references made to Government by that Officer. He asked for 9 hands at Rs 10* each & gives no reason - nothing more is said Vide letter No 876/47 of 9th Augt 92

* Ext. Clerk Rs 25

11. The report of the unsatisfactory state into which his Registers and Records, have been allowed to fall is not creditable and the Sheristadar should be strictly enjoined to set about and rectify such a lamentable state of affairs within a reasonable period. The establishment of 10 hands excluding Sheristadar and a clerk to attend to Detective work is more than

Vide para 4 above

than ample to perform the duties

cut out for the above.

12. One clerk for Toddy work

may however be sanctioned as a Special

case on Rs 25/.

including 1 addl clerk for Gudem Toddy / vide B aug.

13. Other points will be disposed

of in the letter to be drafted in

reply to the references now pending.

The matter is urgent.

No 850/107

Bangalore, 31st August 189

From.

The Excise Commissioner
in Mysore

To

The Chief Secretary to the
Dewan of Mysor

Sir,

In acknowledging the receip
of Government Proceedings
No 3854-5 (19) dated 26/28th August
R.T. 117-92
1893, I have the honor to forwar
herewitth, as requested, a nominal
Roll of the Subordinates of my
Office, Showing the present and
proposed pay for each, and
the appointments for which
new men have to be entertained

2. In proposing enhanced
Salaries to some of the existing
hands

hands, I have not only had under consideration the duties of my office, but also the additional work entailed upon them by the introduction of the new Abkari System. I am aware that one and all of them work wholedays and sometimes till late at nights. The increase proposed to some of them, is hardly commensurate with the Status of my office, and with the important and responsible work which many of them have to perform. As explained in paras 4 & 5 of my letter No 6638/371, dated 26th/29 June 1893, the revision of my office establishment, recommended by me, entails no additional charge, as it is proposed to utilize for this purpose the savings which have accrued both to the Mysore State and Civil and Military Station

of

of Bangalore by the reduction
of the distillery Establishment.
In this connection I may add
that, for the past official year
ended 30th June 1893, there has
been an increase of nearly
8½ lacs of rupees in the Abkari
Revenue. The appointment of
the Sheristadar in my office
is, by no means a sinecure.
He has to supervise and control
the work of the different branches
of the Excise Revenue, i.e. Abkari
and Sayer revenues which have
now reached nearly 32 lacs
and 4½ lacs, respectively.
Besides this, the correspondence
and accounts, both English
and Kanarese, have increased
to a very considerable extent;
and the bulk of the work
falls on the ministerial head
of the office. The duties of
the Head and Deputy accountants
are also onerous; and I propose

to

to promote my Head Munshi on a small increase to be Deputy Accountant. Both the Sheristadar and Head Munshi have had no promotion for a long time. The Head Munshi has been drawing his present Salary since 1st April 1887. A copy of the recorded opinions of my predecessors in office, under whom the Sheristadar Venkata Rangaiyengar has served, is herewith enclosed for the information of Government.

3. As to the remarks about the Demand Collection and Balance Statements, I beg to state that all the monthly Statements up to the end of June 1893, have been submitted to the Dewan's office, (Vide Correspondence ending with my letter No. 467/69, dated 7th/8 August 1893), and to repeat that the delay in Submitting them, was not due to my office, but to the Deputy Commissioners' Offices

Offices, as reported in the marginal noted correspondence. The forms for the Abkari demand Collection and Balance Statements to suit the new Arrack and Toddy Systems, were prescribed in Government Proceedings No. 4592-601/75 dated 4th June 1892, received in my office on 5th July 1892 and they were printed and issued from the Government Press in August 1892, so that the preparation of the Statements from April 1892, could not be Commenced in Taluks and District before September 1892. The forms as well as the Systems, being new, it took several months for the Taluk and District officials to acquaint themselves with the use of the several Columns in the Statements. Even when the Statements were received in my office, they were full of errors, and had to be returned

This office letter No. 1539/82, dated 15th September 1892.

returned for Correction and resubmission. The Statements of the Mysore District from April to November 1892, were all received at one time, only on the 2d February 1893, and those for December 1892 & January 1893, so late as March 1893. Those of the Kolar District from April to September 1892, were all received on the 25th January 1893; and those from October to January 1893, reached my office as late as 30th May 1893; and so on. As they were not correct even then, to avoid further delay the Excise accountant of the Kolar District, was directed to attend my office, together with the original accounts of the Taluks, and the District Statements were finally Corrected. There was similar delay more or less in the case of other districts also. These facts I have reported to Government

in

in the marginally noted correspondence above referred to. The demand Collection and Balance Statements for so many months having been received at this Office all at the same time, and the office being short-handed, the officials had to work overtime and even at nights to check the figures of 65 taluks for each month, tabulate and Compile the Statements by Districts, for Submission to the Dewan's Office. Under such Circumstances, it may be seen that no blame attaches to my office.

4. With reference to para 2 of the Government Proceedings under reply, I beg to state that the Scale for the Bangalore District as Sanctioned in Governm Proceedings No. 1929 2-3, dated 18th May 1893, has already been Completed, which fact has been reported to Government in

Paper No 15 of Sec IV File No 117 on " Irrigation "

in para 1 of my letter No. 6638/371 dated 26th/29th June 1893. But as explained in my letter No. 6399/355 dated 13th June 1893, the Deputy Commissioner wants the second land on Rs 15 promised to be given to him from my office. This land will be transferred as soon as the proposed establishments for my office is sanctioned, as intimated in para 3 of my letter No. 6638/374 dated 26th/29th June 1893; and the temporary hand sanctioned in para 1 of the Proceedings under reply, pending such transfer, will then be dispensed with.

5. In conclusion I solicit sanction to the entertainment of a Gallur on Rs 6 per mensem, applied for in this office Nos. 6102/391 dated 22nd May 1893, 6651/374 dated 27th June 1893, for the office of the Excise Assistant

Assistant Commissioner, Bangalore
District. The Deputy Commissioner
has submitted several reminders
on the subject.

MYSORE

From

E. R. SUBBRAYAR, Esq.,
Comptroller of Mysore,

The Chief Secretary
to the Dewan of Mysore

SIR,

With reference to the remark contained in Proceedings No 3854-5 / R 117-92 dated 26th August 1898 that this office should not have passed any expenditure on account of the temporary hand sanctioned by Proceedings No 2165-6 / R 368-92 dated 10th

August 1892 beyond -
Sanctioned period -
without further Sanction
I have the honor to state
that in accordance
with the latter Proceedings
a temporary clerk was
entertained on the 19th
July 1892 for a period
of 3 months which expired
on the 18th October 1892,
but as full pay was
disbursed for the latter
month, objection was
taken by this office
for the amount drawn
for the period not
Sanctioned as also

for the sum of Rs 18-3-1
disbursed in December
1892 on the same account
vide extracts of objection
statements for October
and November 1892 herei
enclosed. Subsequently
in February 1893 when
the Government Sanctione
in Proceedings No 13672-81
R 717-92
permanent Sunday
establishment a permanen
clerk on Rs 20/ was
allowed for the Deputy
Commissioners Office
Bangalore with -
retrospective effect from
the date of his appointmen
vide Proceedings No 19145-5
R 717-92

dated 14 May 1893, It will thus be seen that a temporary clerk was sanctioned for 3 months from 19th July 1892 to 18th October 1892 and thereafter a permanent clerk from 19th October 1892. Accordingly payments have been made from the Bangalore District Treasury and admitted by this office and this fact is corroborated by the Audit Register an extract therefrom is

Sir,

I have the honor to urge on the attention of Government that in certain instances it has come to notice that, although the correct amount of duty and price payable on the quantity of liquor shown in the Chellans concerned had not been entered in them, yet the Taluk Treasury Officer passed the Chellans and received the amounts as therein shown, and credited the same in the Treasury

We are having in hand the following cases, one Accts Ex Cir Dept Mysore & one Accts Ex Cir Dept Kolar.

Treasury Accounts, and that, on production of such Chellans, the Bonded Depôt-Keeper issued the liquor shown in the Chellans without noticing that the amounts of the duty and price paid for the same into the Treasury, were not correct. From such facts it may be clearly seen that it is essentially necessary that the entries in <u>each and every Chellan</u> must be carefully checked and the figures then booked in order to compare the same with the figures shown in the Demand, Collection and Balance Statements. For want of sufficient Accountants, the requisite Registers have not yet been opened, and the check of the entries in all the Chellans which number 2,654 per month, as well as the booking thereof,

cannot

Cannot therefore be expected
to be carefully and completely
performed. Under such circumstan

From

To

The Chief Secretary to the Govern-

of Mysore

Sir,

Adverting to Government Pro-
-ceedings No. 9556/R7275-92, dated 19th December 18
sanctioning an increased scale of Excise
Establishment for the Comptroller's office,
I have the honor to state that in my -
(15) of file No. 275 Judicial letter No. 1060/129, dated 20th September 1893, I
have fully explained the necessity for the
increased establishments proposed for
both the Comptroller's office and my office.
2. The explanations given in the Comptro
Memo dated 5th September 1893, printed in
the above Government Proceedings showing
the urgency for the undermentioned hands
applied for by him and sanctioned by Gover
-ment in the above Proceedings, equally appl

to

to my office, in-as-much as the Accountants in my office, have to do exactly the same kind of work, but with different and independent materials:-

	Minimum Pay	Maximum Pay
1 First Grade Accountant	Rs 70	100
1 Second Grade	Do	50	65
1 Third Grade	Do	30	45
2 Junior Accountants at Rs 25 each		50
1 Record Keeper		20
4 Servants at Rs 6 each		24

3. In addition to the above work which the Accountants both in the Comptroller's office and in my office, have to do the following works have to be performed in my office:-

(1) Checking, examining, and comparing the entries of each taluk in the Demand Collection and Balance Statement of the Districts, and then compiling the Provincial statements by Districts.

(2) Checking and booking the accounts of Bonded Depôts and Farm Depôts, and

and comparing them with the Distillery accounts.

(3) Keeping "Bung Wastage" and "Out Still stock" accounts in connection with the Government Contractor for carriage of country Spirits to Bonded Depots, and Checking his accounts.

(4) Checking and booking the accounts of the Ganja Contractor.

(5) Checking and booking the Foreign liquor accounts and Brands.

(6) Accounts relating to the Civil and Military Station

(7) Accounts of Permit books, Pass book, Dram cups &c. Sold to Vend Farmers and Shop-keepers

(8) Various miscellaneous accounts relating exclusively to this office.

Original is said to have been sent to Camp direct. Copy putup.

In my letter C/No $\frac{1897}{213}$, dated 30th November 1893, I have explained that, if the entries in each and every Chellan be not checked and calculated, incorrect payments of duty and price and wrong calculations, if not actual fraud, may escape notice or detection.

4. To do all the above multifarious important duties, I have now only four hands in the account Branch of my office, of whom, two are permanent hands and two are Temporary Paddy accountants; and of the two permanent hands, one is working with Mr. McDonnell, so that there are really three Accountants. The correspondence Branch is equally short-handed; and I have no Record-Keeper or Store-Keeper. Further, the existing hands are underpaid. To get through the work, they frequently attend office in the morning, and very often at night besides at the usual office hours. Nevertheless, they have not been able to open several books and registers; and other work has also fallen into arrears.

5. Explaining all the above facts and circumstances, I have submitted proposals in my letters No. $\frac{6638}{371}$ dated 26th June 1893, and $\frac{850}{107}$ dated 31st August 1893, for the increased scale of my office establishment, which I repeat hereunder for ready reference:—

I Sheristadar

Account Branch

1 Head Accountant	70
1 Deputy — Do	55
2 Accountants 1 on Rs 35 and 1 on Rs 25	60
2 Accountants 1 on Rs 25 and 1 on Rs 20	45

Correspondence Branch

1 Head Clerk on Rs	40
2 Clerks, 1 on Rs 30 and 1 on Rs 25	55

Records and Stores

1 Record-Keeper on Rs	20
1 Store-Keeper	15

Vernacular Branch

1 Munshi on Rs	20
	580

After carefully studying the details of the work, and giving mature consideration to the status of my office, and the important and responsible work to be performed, I have recommended the above Scale; and I have also explained in my letters above quoted, that this increased Scale entails no addition

charge

charge, as it is proposed to utilize for this purpose the Savings which have accrued both to the Mysore State and Civil and Military Station of Bangalore, by the eduction of the Distillery Establishment.

5. Under the above circumstances, I solicit the favor of early sanction to the above increased scale of my office establishment which will, in anticipation of sanction, be embodied, together with the aforesaid increased scale sanctioned for the Comptroller's office in the Budget Estimates which are now under preparation for transmission to the Comptroller, in accordance with his circular No. 1803, dated 12th December 1893.

To

The Excise Commissioner

Sir,

Referring to your official Memorandum No. 799/63 of the 30th August last, intimating to me the sanction of Government to the continuance for a period of six months from the beginning of the current official year, the temporary hand given by Proceedings No. 2165-6/R. 368-92 of the 10th August 1892, until you should be able to send me two hands from your office, I have the honor to report that the Comptroller has

X R. B. 1 hand on Rs. 25 has been sent. 15

has refused to pass the bill for Rs 80/- being the pay of the said clerk from July to October last, on the misconception that, because you were good enough to obtain the sanction of Government to give retrospective effect to Government Proceedings No. 13672-81 R.F. 17-92 of the 16th February 1893, the temporary hand ceased to work since then.

I have pointed out to him that his conjecture is not correct. (Vide my letter No. 243, dated 1st instant).

I beg here to request your attention once again to my letter No. 254 of the 5th June last, bringing to your notice the absolute necessity for the retention of the temporary hand.

The amount of work in this District is too heavy for three men and even for four. It is so heavy that

that the Excise establishment of my office is always worked at high pressure. Whatever may be the establishment sanctioned for other Districts, the amount of work, I submit, ought to regulate the strength needed in a given district. Mysore is in area a larger District than Bangalore, but I would beg to you to consider the following Comparative Statement :—

No.	Year	District	Arrack		Toddy	
			Nos. of Shops	Revenue	Nos. of Shops	Revenue
1	1893-94	Bangalore (including the Civil & military station)	276	8,44,233	344	2,06,129
2	"	Mysore	68	1,67,050	920	4,36,912

A 8,44,233
T 2,06,129
10,50,362

A 1,67,050
4,36,912
6,03,962

The Toddy work in Mysore is heavier than in Bangalore; but the French Rocks Sub-division has a separate Toddy establishment. Arrack transactions in Bangalore are five times as heavy as in Mysore

× R.B. No separate Toddy establishment exists for the French Rocks Sub-division Office.

Mysore. I assure you I am not exaggerating the fact in the least when I say that without the Fourth hand it will be hardly possible to get through the work. I beg, therefore, that you will kindly obtain the Sanction of the Government to the retention of the man. Pending Sanction, he has been retained.

I have the honor &c.

He adds that since

the introduction of the new arrack & Toddy systems, the correspondence, accounts, Statistics have greatly increased and cannot be satisfactorily and efficiently performed without the scale of his office Estt being strengthened as proposed by him.
